

PROGRAM OVERVIEW

We equip students with the **confidence and communication skills** they need to thrive in school, relationships, leadership, and life.

Every program builds one of three pillars — **Communicate. Present. Lead.**

Communicate Build confidence to express ideas clearly, listen well, advocate for yourself, and connect with others.

- **Communication Confidence Workshop** An interactive workshop for clearer communication, participation, and self-advocacy.

Present Strengthen organization, delivery, and presence for classrooms, interviews, media moments, and opportunities.

- **Interactive Communication Workshops & Keynotes** High-energy sessions with storytelling, participation, and tools students use immediately.
- **Student Media Readiness Program** Realistic prep for students representing their school, team, or community in public moments.

Lead Use communication to collaborate, navigate challenges, and lead others with clarity, empathy, and purpose.

- **Signature Youth Leadership Academy** A cohort-based academy that builds the communication and presence to lead others well.
