

PROGRAM OVERVIEW

We equip students with the **confidence and communication skills** they need to thrive in school, relationships, leadership, and life.

Every program builds one of three pillars — **Communicate. Present. Lead.**

Communicate Build confidence to express ideas clearly, listen well, advocate for yourself, and connect with others.

- **Campus Career Communication Workshops** Communication and self-advocacy skills for networking, internships, and career-defining conversations.

Present Strengthen organization, delivery, and presence for classrooms, interviews, media moments, and opportunities.

- **College Athlete Media Readiness** Prepare college athletes to handle interviews, media, NIL, and public-facing moments with poise.

Lead Use communication to collaborate, navigate challenges, and lead others with clarity, empathy, and purpose.

- **Student Leadership Communication Intensives** Strengthen the communication and presence that turn campus leaders into confident, credible voices.
